

FARM TRIAL 3

15 September Farm Trial 3 – Geese

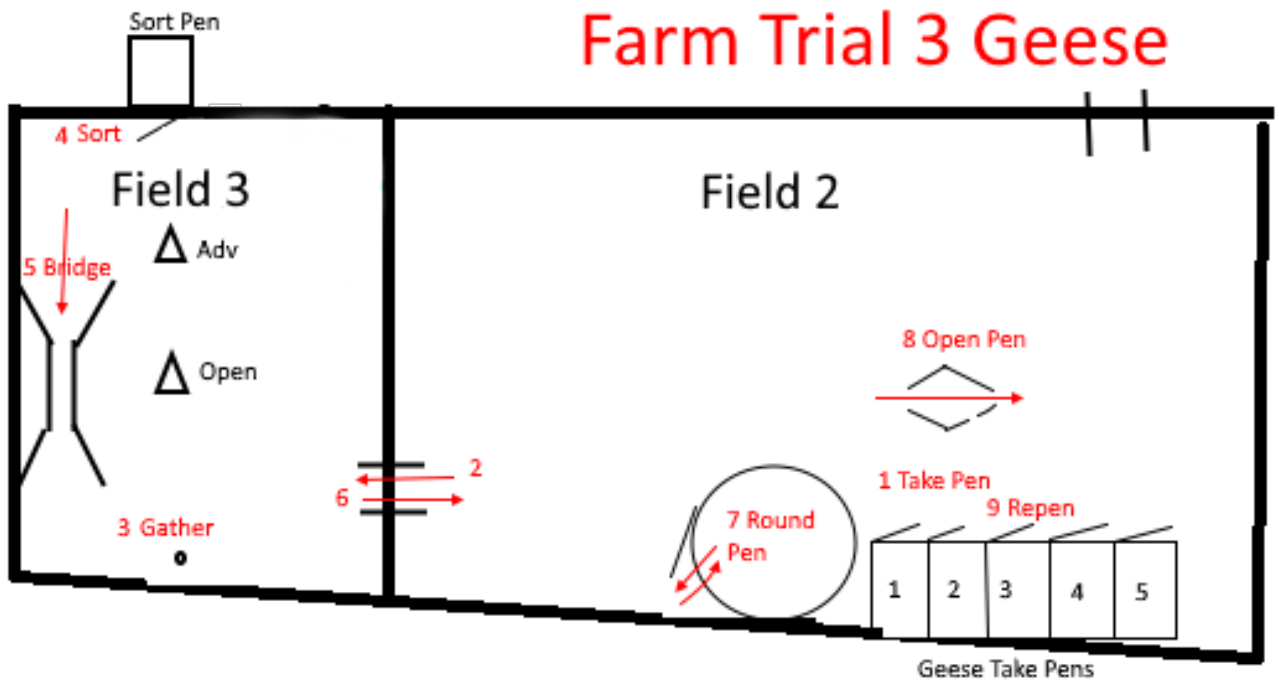

- 5 Geese per Run
- 12 Runs Possible
- No setout dog will be used
- Run Order Random Draw prior to trial

TASKS

POSSIBLE SCORE

<p>PENWORK #1 Geese will be in Holding Pen. Take out all 5 geese from Holding Pen towards Field 3 gate. Time starts when Holding Pen gate opens and ends when gate is closed with all geese in the field.</p>	10
<p>PENWORK #2 Take the geese from Field 2 to Field 3 through the gate. Time starts when geese leave the Holding Pen and ends when the Field 3 gate is closed.</p>	10
<p>GATHER Drive or fetch and settle the geese at the cone near the cone. Outrun/lift/fetch (Open 45 feet, Advanced 70 feet). Starts when geese arrive at the cone and ends when geese return to the Sort Pen side. Open – handler can take dog with him/her to the start pole. Advanced – dog stays near the geese and is called back to the handler to start the outrun.</p>	20
<p>SORT Geese will be in Field #3. Sort out 3 geese from Field 3 into the Sort Pen. After the gate is closed with 2 geese in the field, open the gate and let the 3 sorted geese into the field. Time starts when gate opens and ends when gate is closed with all geese in the field. Sort can be done in either direction.</p>	25
<p>LOCATION SPECIFIC TASK #1: BRIDGE Bring 5 geese over the bridge and in a controlled way. Task starts when the sort is completed and ends when the geese go over the bridge.</p>	20
<p>PENWORK #3 Take the geese from Field 3 into Field 2. Task starts when the Field 2 gate is opened and ends when the Field 2 gate is closed with the geese in Field 3.</p>	10
<p>PENWORK #4 Move the geese from the Field 3 gate into the Round Pen. Once in the Round Pen take the geese out. Task starts when geese leave Field Gate 3 and ends when the geese leave the Round Pen.</p>	10
<p>LOCATION SPECIFIC TASK #2: Open Pen Move the geese from the Round Pen area to the Open Pen and in a straight line from the entrance through the exit (Open). Advanced dogs must have one goose go through the bottom exit and the remaining 4 exit straight through. Exercise begins when geese leave Round Pen area and ends when geese exit the Open Pen.</p>	20
<p>PENWORK #4 Move the geese from the Open Pen to the Holding Pen and pen the geese into the appropriate pen. Task starts when geese leave the Open Pen and ends when the gate of the Holding Pen is closed.</p>	5
Total	130

Farm Trial 3 Geese
